

ANDRE FORTOU

Industrial & Interaction Designer · Product Design · UX/UI

(305) 915-1517 · afortou26@gmail.com

EDUCATION

B.I.D. in Industrial & Interaction Design | Syracuse University | College of Visual & Performing Arts
August 2022 – May 2026

- Orange Distinction Award recipient
- VPA Dean's List, Fall 2023
- SolidWorks Academically Certified

EXPERIENCE

Chapter President | Phi Iota Alpha Fraternity Inc. 2024 – 2025

- Direct all chapter operations for a chapter of the oldest Latino Fraternal organization, overseeing financial planning, goal-setting, and accountability structures
- Develop and execute semester-wide strategic initiatives, growing chapter engagement and community involvement
- Serve as primary liaison between chapter leadership and national organization, maintaining compliance with bylaws and standards

Brand & Product Designer | Stoma-cue 2026

- Created the full visual identity (logo, color system, typography) for an innovative ostomy bag product, ensuring cohesion across digital and physical touchpoints
- Contributed to industrial design refinements and produced marketing and presentation assets used in stakeholder pitches
- Fully redefine product and user interaction for the product, overall improving the design.

Camp Counselor & Art Program Aide | ARC of South Florida 2019 – 2021

- Co-facilitated an inclusive summer arts program for children with intellectual and developmental disabilities and children from low-income households
- Independently designed and led hands-on arts & crafts activities adapted to diverse ability levels, fostering creativity and fine motor development
